

Support the **Not in my Name** campaign to end Violence Against Women

Globally, 1 in 3 women will experience physical or sexual violence during their lifetime.

Two women are murdered every week by a partner or ex-partner.

Ending Violence Against Women is everyone's business.

Since 2012, the WI and Joyce Watson MS have been engaging men and boys in making a stand against violence against women.

How can organisations and individuals get involved?

Raise awareness of violence against women
